

MR

ROMERO, MANUEL FERNANDO

OBJECTIVE

Learn About Machine Learning

SKILLS/ LANGUAGES

Python3
Java
C++
C
R Studios
Work as a Team
Microsoft Word Certified
Microsoft Excel Certified
Microsoft PowerPoint Certified
Microsoft Access Certified
MySQLWorkbench

EXPERIENCE

SOFT SKILLS GAINED

I learned how to better communicate with Team Members and find what needs to be done. Schedule Team Meetings, discuss Deadlines, divide up the work and how to divide my time up between courses and so many projects along with work and personal issues. I can work in a team and individually, learned to reach out for help when I am stuck on certain parts.

EDUCATION

PENDING • UNIVERSITY OF TEXAS AT DALLAS

I have taken classes in Database Systems, Digital Systems, Algorithm Design and Digital Logic and Computer Design GPA 3.27

HIGH SCHOOL DEGREE • 2018 • SKYLINE HIGH SCHOOL

Graduated top 2% of my class. GPA 4.0

VOLUNTEER EXPERIENCE OR LEADERSHIP

Took Leadership Role for Database Project where we created a database with relationships and Entity's for a Hypothetical Zoo.

Leader for presentation for Professional Responsibility in CS & SE.

Leader for research and presentation for Professional & Technical Communications.
